

Go Nuts!

So, I'm allergic to nuts, but that doesn't mean you won't find me at the [Spring 2009 Old Pecan Street Festival](#) on May 2-3. The festival is held every Fall and Spring downtown on [6th Street](#) (formerly known as Pecan Street), and features over 250 arts/crafts vendors, food, and live entertainment.

Jules will be here that weekend, so I'm sure we'll take a stroll down Old Pecan Street. Let me know if you want to join in!

Event Alert! This is also the same weekend as the [Peter Max art collection at Russell Collection](#), and the [May Austin Breakfast Club](#) meeting.
