

## Donation Celebration!

Through a series of chance events and serendipitous encounters with new people, I recently met Alex, the Executive Director of CharityBash: "Austin's Hippest Philanthropy Turning Residents into Citizens," administered by the Austin Community Foundation. CharityBash throws a...well...bash, of course, once a month at different locations where donations are accepted for that month's designated organization. For example, the next Bash will be held on Thursday, April 30th, from 7-10 PM on the Lanai Rooftop Lounge benefitting the YMCA. Click [here](#) to RSVP on Facebook. In March, CharityBash donated \$1,900 to Fusebox Festival, an annual event highlighting the work of drama, art, music, dance, and film. What a great way to mix entertainment and philanthropy! Fun Philanthropic Event/Organization Recommendation: CharityBash! Check out the website for more information about how to give and groove!
